466 Centerville Road

WORCESTER
WREATH CO.

Columbia Falls, ME 04623

October 10, 2026

To Whom It May Concern:

The wreaths that are handcrafted to make the remembrance wreaths for Wreaths Across America are made with Abies balsamea, Balsam fir. The fir is hand tipped from the trees, broken into bouquets, and assembled into the wreath. There are instances where pesticides may be used due to disease or infestation. The trees are also fertilized for needle retention and growth.

Sincerely,

Michael Worcester
Vice President
Worcester Wreath Co.
