

WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts and other youth groups to participate in our efforts. The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those whose lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together through education, stories and interactive connections.

National Remembrance Ceremony:

DECEMBER 19, 2020

Inspired by Staff Sgt. Daniel Strong's keynote address during the 2018 escort to Arlington National Cemetery. As an infantryman in the Marine Corps, he lost 18 Marines during his service, three were his friends when he was a Lance Corporal, six as their Squad Leader, and the remaining nine as their Platoon Sergeant. "Be an American worth the sacrifice. In your daily operations, and in how you deal with one another and how you live your life. Those young men and women who are in Arlington National Cemetery and other cemeteries, they earned the right for you to be an American worth fighting for."
