- Highlight upcoming fundraising events or share details about your wreath laying ceremony.
- ★ Spotlight your local veterans and how they've made an impact on your community.
- ★ Show your community what you're doing locally to give back and make a positive impact.

Customize your pages with your photos, logos and text. Note that customized pages perform significantly better than those that only display the default content.

Customization To Dos

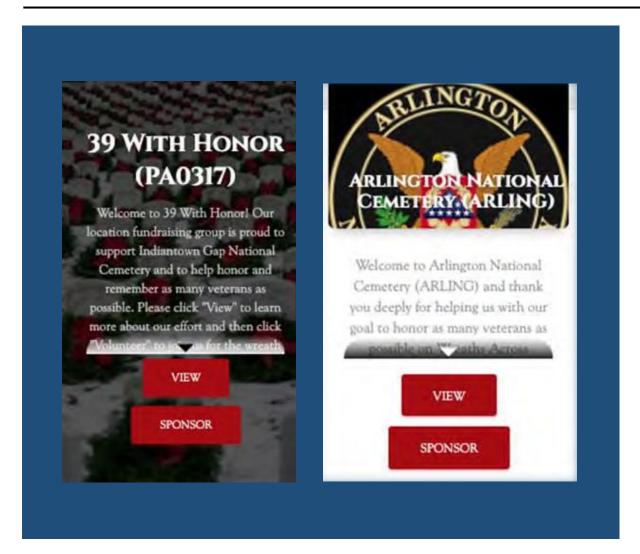

Personalize Your WAA Page

Click
Customization

Adjust The Goal For Your GROUP

For Group Leaders:

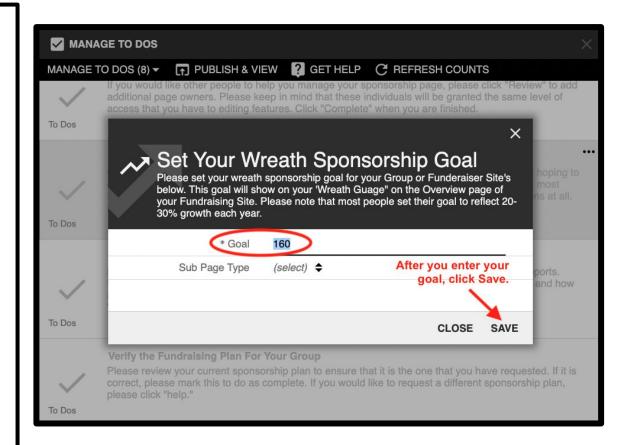

The Wreath-O-Meter is a great way to motivate your community to sponsor veteran wreaths!

If they are coming in slower than you hoped, lower your goal so it feels more achievable.

For Location Coordinators ONLY:

What is the difference between your Veteran Grave Count and your Sponsorship Goal?

We ship based on your **Veteran Grave Count**, so it's important that you provide us with an accurate Veterans grave count or the *maximum* number of sponsored veteran wreaths that you will need at your location. Extras can be credited to your location the following year or gifted to another location in need.

Your **Sponsorship Goal** on the Dashboard is linked to the Wreath-O-Meter on your location page, which turns green as wreaths are sponsored for your location. It is a great way to motivate your community to sponsor veteran wreaths and can be updated at any time by going to your Registration To-Do's,

If you need help with this, contact your Regional Liaison Team!

Make note, your Sponsorship Goal does NOT determine how many wreaths will be shipped to your location.

WAA Communication Policy

It's quick and easy to message supporters on the Dashboard!

WAA does not share sponsor or volunteer contact information.

Protecting Sponsor and Volunteer Information helps ensure their continued participation year after year.

Communication with sponsors must be initiated through the WAA Dashboard.

If a sponsor or volunteer freely gives you their contact information, then consent is assumed and you may communicate with them off the WAA Dashboard.

You may not solicit sponsors for order corrections, to recruit them for other groups/locations, or to solicit funds for other organizations than Wreaths Across America.

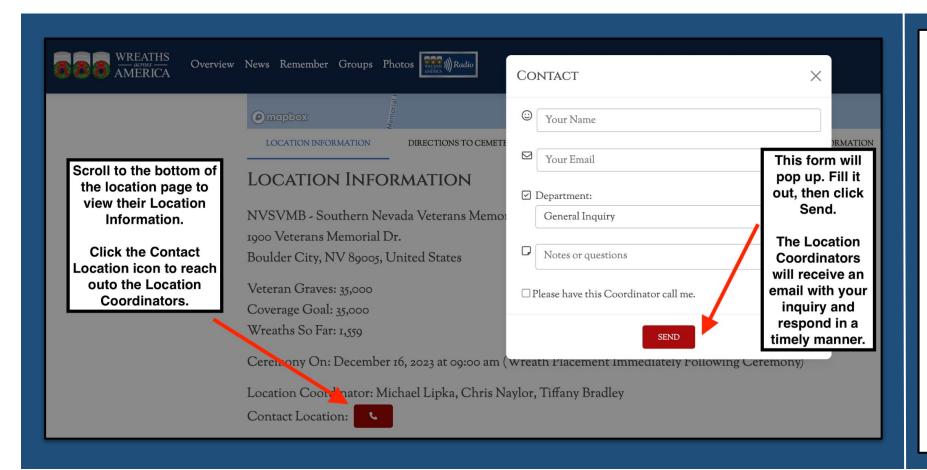

Wreaths Across America: Messaging Supporters

Wreaths Across America offers several different ways to help you clearly and consistently communicate with your local supporters of the Wreaths Across America mission:

- ★ Group Leaders, Sponsors, and Volunteers can contact the Location Coordinators to offer their help with planning or to ask questions.
- ★ Location Coordinators can easily connect with their supporting Sponsorship Groups to involve them.
- ★ Group Leaders and Location Coordinators can thank their Sponsors for their support and give updates to Volunteers who are registered to help!
- ★ Group Leaders and Location Coordinators can reach out to Grave Specific Sponsors to get additional information or to let them know a wreath was placed and send them a picture. Join us next month for instructions on how!

Messaging Location Coordinators

was Location Coordinators are volunteers and do their best to communicate their wreath laying ceremony plans through their location page details, with page alerts, and through the messaging system.

Please take the time to read through their page first, then contact them if you still have questions, and allow them time to get back to you.

Remember, many Location
Coordinators are just like you and work
full time jobs and have family and other
responsibilities outside of their
volunteer time for WAA.

Messaging Sponsorship Groups

An opportunity to serve!

Many Sponsorship Groups want to help with the wreath laying ceremony at the location they support. Their involvement in the Wreaths Across America mission gives them an opportunity to serve their community and local veterans.

Location Coordinators can give them an opportunity to serve by involving them in planning and logistics such as parking and traffic control, ceremony set-up and presentation, wreath disbursement, grave specific placements, and clean up.

Location
Coordinators can
use the Messaging
Module on their
Dashboard to
contact their
Sponsorship
Groups.

Ask for help with Wreath Day planning and logistics at your location!

Share important details about the wreath-laying ceremony at your location!

Messaging Sponsors

Remember the fallen, Honor those who serve, and Teach the next generation the value of freedom. It's the mission of Wreaths Across America. It's WHY our sponsors support us each year.

Taking the time to thank your Sponsors for their support goes a long way and inspires them to get involved in all of the different programs offered through the Wreaths Across America mission!

Messaging Volunteers

Volunteers want to help!

Communicating with registered volunteers will help your event run more smoothly on National Wreaths Across America Day.

Volunteers want to know WHERE to be, WHEN to be there, WHAT is involved as a volunteer, and any other pertinent information about the event at your location.

Registered Volunteers may not realize they can make a sponsorship as well as help place wreaths. Messaging them is a great way to help them understand that the wreaths are all community funded through sponsorships and to ask for their support.
