

WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts and other youth groups to participate in our efforts. The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those whose lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together through education, stories and interactive connections.

*"Live with Purpose."*

Live with Purpose draws inspiration from the remarkable stories of these volunteers whose impactful work in their communities is a beacon of inspiration for all. "Over the course of the last year, and then especially on the escort to Arlington last December, I listened to people who had gone through great adversity, and they'd taken that adversity and turned it around as a call to action to spend the rest of their lives making sure that every day was meaningful and that they lived with purpose," said executive director Karen Worcester. "For me, living with purpose is a mindset."
