

WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts and other youth groups to participate in our efforts. The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those whose lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together through education, stories and interactive connections.

"Remember Me"

This year's profound theme is Remember Me. As the nation approaches the 250th anniversary of the United States, we're calling for renewed focus on the individual lives behind America's military service. "While we often honor service members collectively, each one has a name, a family, and a story," says Karen Worcester, executive director. Through ceremonies, education, and community engagement, the organization will ensure service members' stories continue to be told, and their names are never forgotten.
