A Note of Encouragement

Fundraising isn't just about raising money—it's about bringing your community together to honor our veterans and teach the next generation the value of freedom. Thank you for your passion and commitment. Let's make this year the best yet!

Getting Started

Welcome to the exciting journey of fundraising for Wreaths Across America! Whether this is your first time fundraising or you're a seasoned pro, this section will get you started on the right track.

Understand the Mission

Every wreath sponsored through your efforts is a step toward fulfilling, in part, the mission of Wreaths Across America. Your fundraising directly supports placing veterans' wreaths on the headstones of U.S. servicemembers, ensuring that their sacrifices are never forgotten and their stories live on for future generations.

Beyond wreaths, your fundraising also contributes to year-round programs like the Sponsorship Group Program, Mobile Education Exhibit, Remembrance Tree Program, the TEACH Program, Wreaths Across America Radio, Veteran Support Services, and tours of our National Museum and Gold Star Family History & Hospitality House in Maine. These free programs help us REMEMBER, HONOR and TEACH throughout the year, fostering connections with veterans and communities nationwide.

Set Clear Goals

Before you dive into fundraising, it's important to set clear, achievable goals. How many veterans' wreaths do you hope to sponsor? How much money do you need to raise? Setting specific goals will give your efforts direction and help you track your progress. Keep in mind that every wreath counts, and there is no goal too small!

Setting goals doesn't have to be complicated—start small and build momentum as you go.

1. Define Your Target

Decide how many wreaths you'd like to sponsor. Every \$17 sponsors a veteran's wreath. Break your goal into smaller, manageable steps, like aiming for a few wreaths each week or month.

2. Use Your Wreath-O-Meter to Stay Motivated

Update your sponsorship goal on the Wreaths Across America dashboard regularly, then watch the Wreath-O-Meter on your group or location page start to turn green as sponsorships are made! Seeing progress can inspire your community to help you meet your goal. You can adjust it anytime, so don't worry if things start slow—momentum often picks up in the fall!

3. Make a Simple Plan

Set a deadline for your goal and plan around key dates, like patriotic holidays or local events. Having a timeline helps you stay on track without feeling overwhelmed.

4. Celebrate Progress

Share updates and celebrate small wins with your supporters. Every step forward makes a difference and encourages others to get involved!

Know Your Resources

You're not alone in this! Wreaths Across America provides many resources to help you fundraise successfully. Take full advantage of these tools to make your outreach as smooth and effective as possible! Here are just a few:

- **Volunteer Resource Page:** This page is updated throughout the year with new and exciting resources to help you make the most of your volunteer efforts. *Bookmark this page:* <https://www.wreathsassamerica.org/Resources/VolunteerResourcePage>
- **Customizable Order Forms & WAA Day Posters:** Your Regional Liaison Team will create these for you when you register or reinstate for the year! Use these materials at events or leave them at local businesses to increase exposure.
- **QR Codes:** The custom QR code created by your Regional Liaison Team allows for easy online donations. It's on your Order Forms and WAA Day Posters to make it simple for others to sponsor wreaths through your group or location page.
- **Point of Sale (POS) Kits:** Available *free* in the Wreaths Across America store online—just cover the shipping if your order is under \$25. Share these kits with businesses in your community to help support your fundraising. [Order POS Kit Here](#)
- **Shop Location & Group Supplies:** The [Wreaths Across America online store](#) offers printables, custom-printed products, presentation items, and more to expand your reach!

Your Regional Liaison Team is here to support you! They know your area and can offer advice that will help you succeed locally, suggest ideas to improve your reach, and connect you with successful volunteers. Whether you need help organizing an event, marketing your efforts, or brainstorming new fundraising ideas, they're ready to guide you.

Build Your Team

You don't have to do it alone—building a team makes fundraising easier and more fun!

Ensure your team understands the mission. Assign easy tasks, check in regularly, and celebrate your progress as a team. The key is communication (and appreciation)! When everyone feels involved and inspired by the mission, it's easier to reach your goals.

1. Start with Friends & Family

Ask those closest to you to help. They're often your biggest cheerleaders and can spread the word to others. The trickle effect will help broaden your reach!

2. Reach Out Locally

Connect with local businesses, schools, and community groups. Businesses may offer grants, matching donations, or in-kind support, while schools can engage students through community service projects. The Wreaths Across America TEACH Program is a great way to introduce schools to the mission and involve the youth.

3. Partner with Community Groups

Work with veterans' groups, service and civic clubs, or faith-based organizations. They can offer support, volunteers, and help spread your message.

Key Dates & Timeline for Fundraising Success

Your Journey to Remember, Honor and Teach Starts Here!

Fundraising for Wreaths Across America can fit into your busy life. It's all about taking small steps that add up to big results. Here's a simple guide to keep you on track while making a meaningful impact on veterans, their families, and future generations.

Starting early makes your fundraising journey smoother and more rewarding! Giving yourself time to plan helps build momentum and lets you take advantage of local events or special occasions to boost your efforts and help you meet your sponsorship goals.

Spring (March – May)

 *Indoor Fundraising* 

- *Ideal for chilly days!* Host virtual events, create donation pages, or reach out to businesses and local community groups for support.
- **Set Your Goals:** Take a moment to decide how many veterans' wreaths you want to sponsor this year—small goals lead to big changes!

Summer (June – August)

 *Outdoor Fundraising* 

- *Perfect for sunny days!* Get outside for a car wash, BBQ, or partner with local events to boost awareness and donations at fairs, farmers markets, or community gatherings.
- **Boost Fundraising Efforts:** Get your fundraisers on the calendar. Hold community events, promote on social media, host online or silent auctions, and ask for sponsorships. Ask local businesses to sponsor wreaths and support your efforts.
- **Use QR Codes:** Share the custom QR code that links to your group or location's Wreaths Across America page for online sponsorships. It's great to use at events, on social media, and in your emails. It's an easy way for people to donate!
- **Track Progress:** Keep tabs on your wreath count and adjust your goal and fundraising efforts as needed.

Fall & Winter (September – December)

 *Boost Engagement for National Wreaths Across America Day!* 

September and October

- **Reach Schools with TEACH:** Start sharing the [TEACH Curriculum](#) with local schools when teachers are back in the classroom and planning the school year—an inspiring way for students to get involved!

- **Youth Engagement:** Reach out to schools, athletic clubs, and youth groups for wreath sponsorships. If they aren't already registered as a Sponsorship Group, invite them to sign up! Explain how they can become a **\$5 Back Group**, allowing them to earn payback funds to support their school, club and community. Share how they can make an impact in your community by researching and telling stories of veterans they know personally or have interviewed at a retirement home or community center. Consider creating a service project challenge to get students involved—they often need service hours, and we can verify those or provide a volunteer service letter. This is also the perfect time to launch the TEACH Program with your local youth!

November

- **Fundraising Momentum:** Keep the energy going by continuing to promote wreath sponsorships in your community. Consider organizing a community-wide yard sale, a donation-based "Veteran's Day" breakfast or dinner, or a local holiday craft fair where part of the proceeds go to wreath sponsorships. You can also host a "Wreaths Across America" donation drive or tap into local events to raise awareness and sponsorships.
- **Partner with Local Businesses:** Ask businesses to sponsor wreaths or provide in-kind donations, and promote their support by hosting "dine to donate" nights at local eateries. See if they'll use our *free* Point of Sale Kits in their storefront too!
- **Veteran's Day is on November 11th:** It's a day to honor our heroes! Share stories of local veterans on social media, host a ceremony, and encourage wreath sponsorships. This is a great time to remind sponsors they can make a Grave-Specific request, or sponsor a wreath In Honor or In Memory of a veteran loved one.
- **Cutoff Date:** Make sure all sponsorships are placed before 11:59 pm EST that day! Promote through social media, local newsletters, and community events to encourage last-minute orders.

December

- **National Wreaths Across America Day:** The big day! Gather your volunteers, attend wreath-laying ceremonies, and help place veteran wreaths at participating locations. This is the culmination of all your hard work!
- **Thank Your Supporters:** After the event, make sure to thank everyone who helped—whether through sponsoring wreaths, in-kind donations, or volunteering. It's a simple but powerful way to show appreciation.
- **Share Pictures and Videos:** Show how you were involved in the mission of Wreaths Across America and what your team of supporters did to help!

Once you get started, it's easy to keep your community engaged by fundraising year-round!

Community Outreach

Virtual Campaigns

Want to reach more supporters with just a few clicks? Hosting a **Facebook or Instagram Fundraiser** is a simple and effective way to spread the word and rally your community behind the Wreaths Across America year-long mission!

With a Facebook Fundraiser, you can set a goal, share why you support Wreaths Across America, and invite friends and family to join you in honoring veterans. Donations go directly through Facebook (META), making it easy for people to contribute. Instagram also offers fundraising tools, allowing you to raise funds through Stories and posts.

Every dollar makes a difference, so don't forget to fill out the Facebook Notification Form on the [Volunteer Resource Page](#) once your fundraiser ends. This ensures your group and location get credit for the funds you worked hard to raise!

Social Media Strategies

Harness the power of social media to engage your community, inspire support, and grow your impact! Creating a **Facebook Page** for your WAA Sponsorship Group or Participating Location is a great way to connect with supporters and encourage year-round involvement.

- ✓ **Share stories** about the heroes being honored and celebrated. Personal stories create meaningful connections and help TEACH the next generation the value of freedom.
- ✓ **Highlight community events** like veteran birthday celebrations, flag retirements, and other acts of remembrance. These stories bring people together!
- ✓ **Post “Thank You” messages** to veterans and their families to show appreciation and inspire others to do the same.
- ✓ **Always include your direct WAA page link** so that your group or location receives proper credit for sponsorships. Every post is an opportunity to inspire support, so make sure your group or location gets credit.

✗ **Avoid political or religious articles.** Even with good intentions, these can create unnecessary debate and distract from Wreaths Across America's mission.

Looking for inspiration? Visit the [Volunteer Resource Page](#) and explore the 'Marketing Materials for Social Media' section! You'll find ready-to-use templates, a monthly messaging guide with WAA-branded graphics, and helpful tips to make sharing even easier.

Need help? Reach out to **Samantha Clark, our in-house social media pro**, for guidance on getting started and making the most of your social presence. She can be reached at 207-221-5169 or by email at sclark@wreathscrossamerica.org. *We recommend she also be added as an admin on your page so she can help manage it!*

School Partnerships

Partnering with local schools is a great way to engage students in the mission of Wreaths Across America while helping them learn about service, history and patriotism. Reach out to teachers, administrators, and student organizations to introduce the Wreaths Across America program as a meaningful way for students to give back to their community.

Encourage schools to register as a **\$5 Back Sponsorship Group**, which will allow them to raise funds for their school programs while honoring veterans. Many schools have service-learning requirements, and students can earn volunteer hours by helping with fundraising efforts, assisting on National Wreaths Across America Day, or participating in research projects about local veterans and sharing those stories in class or in community presentations.

You can also invite schools to explore the [Wreaths Across America TEACH page](#), which provides free lesson plans and activities that align with the mission to Remember, Honor, and Teach. Consider working with history, civics, leadership classes or after-school clubs to create special projects—such as interviewing veterans, writing essays about service, or hosting a remembrance ceremony.

Building these partnerships strengthens community involvement and ensures that the next generation understands the value of freedom and the sacrifices made to protect it.

Engaging Local Businesses

Local businesses often want to support causes that bring the community together, and Wreaths Across America is a great way for them to give back. Reach out to businesses in your area and share how they can sponsor veterans' wreaths, host workplace fundraisers, get involved by volunteering, and/or become corporate sponsors.

Ask if they'd be willing to host a round-up campaign at checkout, where customers can round up their total to support wreaths. Restaurants or coffee shops might donate a portion of sales from a featured item, and businesses can also encourage employees to participate through payroll donations or department competitions.

Be sure to recognize their generosity! Shout them out on social media, invite them to volunteer on National Wreaths Across America Day, and encourage team-building through the mission.

To make outreach even easier, visit the [Volunteer Resource Page](#) and check out the **Marketing Materials that Teach** section. Resources like the **Fact Sheet**, **Template Business Letter**, and **All About Grants** will help you communicate the impact of Wreaths Across America and secure local business support.

Not sure where to start? Think about businesses you already support—your favorite coffee shop, gym, or local hardware store. A simple conversation can lead to a great partnership!

Involving Veteran and Civic Organizations

Involving local veteran and civic organizations, such as American Legion posts, VFW chapters, Rotary Clubs, and Elks Lodges, can significantly boost your fundraising efforts and support for Wreaths Across America. These groups are already dedicated to serving their communities and honoring veterans, making them ideal partners in your mission.

Reach out to these organizations and highlight the opportunity to sponsor wreaths, host fundraising events, or volunteer on National Wreaths Across America Day. They can also register as a **\$5 Back Group** to support their own organization and the good work they do for local veterans and their community. This is a great way to ensure they can contribute while benefiting their own efforts.

To make outreach easier, visit the **Marketing Materials that Teach** section on the [Volunteer Resource Page](#). Resources like the **WAA Presentation** and **Fact Sheet** will help you communicate the mission and impact of Wreaths Across America. Additionally, check out the **Marketing Materials for Social Media** section for videos that highlight the history of Wreaths Across America and the meaning of a veteran's wreath.

Not sure where to start? Reach out to local veteran and civic organizations and see if you can join their next meeting to share more about Wreaths Across America. Offering to attend, share the WAA Presentation, answer questions, and discuss how they can get involved is a great way to build excitement and support. Often, organizations are looking for meaningful ways to give back, and this could be a perfect opportunity to partner together.

Effective Communication Tips

Use WAA Day Posters & QR Codes

The WAA Day Posters are a great way to spread the word and build awareness for National Wreaths Across America Day and your fundraising efforts. When you register or reinstate for the year, your Regional Liaison Team will create a custom poster for you. These posters already include your group or location's website link and QR code, making it easy for people to sponsor.

If you're printing them as flyers and leaving a stack of them at a local business or community spot, consider printing your custom order form on the backside. This way, people who prefer to send a check instead of sponsoring online can do so easily. Leave your WAA Day Posters in high-traffic areas to ensure maximum exposure and encourage others to get involved.

Email Campaign Templates

Email is a powerful tool for reaching your community and sharing your mission. Use our pre-built messaging templates to inform your supporters about your goals, the number of servicemembers laid to rest at your location, and how their sponsorship will make a difference. You can easily customize these messages to reflect your own voice and send them periodically throughout the year to keep your community involved and excited about your progress.

Sending messages to volunteers and sponsors is simple with your Wreaths Across America Dashboard! You can choose exactly who to send your message to—whether it's volunteers, sponsors, or both, from the current or past years. Plus, you can customize any of our pre-made message templates to fit your needs.

Not sure where to start? Check out our [Sending Messages tutorial](#) to learn how you can use this tool to expand your reach and increase sponsorships.

Share Personal Veteran Stories

One of the most powerful ways to connect with your community is by sharing the personal stories of veterans. These stories resonate deeply and can be the spark that inspires others to get involved. Share the stories of local veterans, highlighting their service, their sacrifices, and the impact their remembrance has on the community.

You can also share the stories behind your fundraising efforts—how the community has come together to support a cause greater than themselves. Share stories about local volunteers, sponsors, and families who are passionate about honoring veterans. This brings a personal and human touch to your campaign and shows the true impact of their support.

Whether through photos, videos, or written posts, these stories can be shared across social media, in emails, or at local events. The goal is to create a narrative that people can connect

with on a personal level. When people hear about how their involvement will honor a specific veteran or help a local cause, they are more likely to be motivated to take action.

Listening to [Wreaths Across America Radio](#) is a great way to get inspired and hear veteran stories from other volunteers across the country. If you'd like to share your own story, or the story of a veteran loved one, we'd love to hear it! You can email waaradio@wreathscrossamerica.org to submit your story for a chance to be featured.

Remember, these stories don't just inspire sponsorships—they foster a sense of pride and community, reminding everyone of the deeper meaning behind each wreath and the mission of Wreaths Across America to Remember the fallen, Honor those who serve, and Teach the next generation the value of freedom.

Highlighting Your Group's Impact

Keep your community engaged by regularly sharing the progress your group is making toward your sponsorship goals. Update supporters on the number of veterans' wreaths sponsored and servicemembers honored. Celebrate milestones—big or small—and let everyone know when you've reached a significant sponsorship threshold or gotten new businesses, schools, or organizations involved.

Visuals can help bring your impact to life. Share photos of volunteers, community events, and wreath-laying ceremonies. Showing behind-the-scenes moments, like volunteers working together or wreaths being placed, helps build a deeper connection and reminds people of the difference they're making.

Tell the stories behind the numbers. Highlight a special community event, a dedicated volunteer, or your group's collective effort to support local veterans. Personal stories create emotional connections and give meaning to your impact.

Always express gratitude. Thank your volunteers, sponsors, and community members for their support. When people feel appreciated, they're more likely to stay involved and encourage others to join in.

Lastly, include a call to action. Whether you're inviting others to volunteer, donate, or spread the word, always provide a way for the community to keep the momentum going. Sharing your group's impact will inspire continued support and participation.

Creative Fundraising Ideas

Fundraising isn't one-size-fits-all—what works in one community might not work in another. That's why thinking outside the box and tailoring your approach to what resonates locally is key. The best fundraisers tap into what your community cares about, bringing people together in a meaningful way to support the mission of Wreaths Across America.

On the following pages, you'll find a list of creative fundraising ideas to inspire you. Feel free to adapt and implement them in a way that makes sense for your group, or come up with something entirely new! If you find a unique strategy that works well, we'd love to hear about it. Share your ideas with your Regional Liaison Team so we can pass them along and help other volunteers make an even bigger impact.

HANDMADE CRAFT FUNDRAISER!

Turn your creativity into a way to honor veterans by making and selling handmade crafts to support Wreaths Across America!

How it Works:

- Create handmade items such as ornaments, wreath decorations, keychains, wood carvings, or other crafts.
- Set up a sales table at community events, craft fairs, holiday markets, or online through social media.
- Offer customization options (e.g., names, military branch symbols, or patriotic designs) to encourage more sales.
- Share your mission with each purchase—explain that proceeds will sponsor wreaths for veterans through Wreaths Across America.
- Use the proceeds from your sales for wreath sponsorships.
- **Example:** One husband-and-wife team of Location Coordinators creates handmade ornaments each year, and they have become a favorite item in their community, helping to sponsor many wreaths!

Covering Costs:

- Use donated or discounted materials from local craft stores or businesses.
- If you're a \$5 back group, use those funds to help purchase supplies.
- Partner with local artisans to create a variety of items for a larger fundraiser.

Example:

How it Works:

- Secure gift card donations from local businesses, restaurants, and supporters.
- Find a venue such as a community center, school, or fire hall to host the event.
- Sell entry tickets in advance and at the door—consider offering a waitlist if space is limited!
- Set up bingo games with multiple rounds and offer gift cards as prizes for the winners.
- Encourage additional fundraising through raffles, 50/50 drawings, or concession sales.
- Use the proceeds to sponsor wreaths through Wreaths Across America.
- **Example:** One Group Leader hosted a Gift Card Bingo event with 182 attendees and a waitlist! She raised nearly \$8,000 for wreath sponsorships and is already planning another successful event this year.

 **Important Note:** Raffle and gaming laws vary by state. Some states require permits, limit prize values, or have restrictions on who can hold these events. Before hosting a Bingo, 50/50 raffle, or similar fundraiser, check your **state's gaming laws** through the **state's gaming commission or attorney general's office** website to ensure compliance.
