

WREATHS *across* AMERICA

Getting Started: Your Volunteer Dashboard Welcome!

Your Volunteer Dashboard is where you will manage every detail for your Sponsorship Group and/or Location. It's easy to use, with instructions built into each section.

Use your Dashboard to:

- Keep Registration details current and Customize your Page.
 - Access quick links to the Volunteer Resource Page and to your Group or Location's public WAA page to share with supporters.
 - Message volunteers and sponsors throughout the year with Thank You messages and Reorder Requests, or our ready-to-use templates to express gratitude and inspire continued support.
 - Create Photo Albums and News Posts to showcase your community's support for the WAA mission, or add Page Alerts for quick updates.
 - Research orders for your Group and/or Location, check Reporting for your total Wreath Count and Volunteer registrations, manage Grave-Specific Requests, and view Honor Cards and Remember Wall posts.
 - Review Volunteer Policies and shop for Supplies in the WAA online store.
-

First-Time Login Steps:

1. **Go to:** manage.wreathsacrossamerica.org
2. **Choose a Sign-In Method:** For the fastest access, sign in with Google, Microsoft, Apple, LinkedIn, or Facebook. If you choose a social account, be sure the email on that account matches the email WAA has on file so it connects correctly to your data.
3. **Or Use Your Email Address:** Enter the email WAA has on file, then follow the prompts to create a password. If you forget your password later, click 'Forgot Password' and follow the reset instructions.

Need help? Contact your Regional Liaison Team—they're happy to assist.
