Locations & Sponsorship Groups

How Do They Work Together?

📍 **Locations** are the heart of our mission, where wreaths are placed to honor veterans during a Wreaths Across America ceremony. Each location has a dedicated volunteer Location Coordinator who plays a key role in planning, logistics, and bringing the community together. Their hard work, alongside Sponsorship Groups, ensures every veteran receives the recognition they deserve.

🤝 **Sponsorship Groups** are a driving force in raising wreath sponsorships through local fundraising events, online outreach, and connecting with businesses and organizations. Groups can support as many locations as they like, uniting their communities around the mission to Remember, Honor, and Teach.

💡 **For volunteers managing both a Group and a Location:** Always direct your supporters to your Sponsorship Group's WAA page to ensure wreaths are properly credited to your group's plan and placed at your location.

Sponsorship Group Plan Options:

🎯 **\$5 Forward** – For every sponsored wreath, you automatically get \$5 towards another wreath.

🎯 **\$5 Back** – Earn \$5 for every sponsored wreath, helping give back to your local community.

🎯 **No Plan** – Supports WAA's mission by helping behind the scenes with operational costs, including shipping, insurance, technology, and support for volunteers nationwide.

Groups have the opportunity to change their plan once a year when they reinstate, ensuring they have the flexibility to adapt to their needs. Plus, location coordinators can register a sponsorship group, enabling them to unlock all the amazing benefits of a group plan.

Together, Locations and Sponsorship Groups have the power to make a lasting impact in honoring our nation's veterans!

SPONSORSHIP
\$17

What does it mean to sponsor a wreath? Sponsoring a veteran's wreath is a personal gift of gratitude and remembrance for someone who served this country so that we can be free.

Your sponsorship supports the yearlong mission to remember the fallen, honor those who serve, and teach the next generation the value of freedom, while making new and existing free programs available to the masses. With each sponsorship made, a veteran's wreath will be placed to honor an American hero at participating locations this year on National Wreaths Across America Day.

With each veteran's wreath placed by a volunteer, we ask that they "say their name" to ensure that the legacy of duty, service, and sacrifice is never forgotten.

Did you know that Wreaths Across America now offers recurring sponsorships? You can choose how often you'd like to contribute, with the flexibility to pause or cancel anytime! Sign up today by completing this form: <https://tinyurl.com/n735zrbd>

What Are Grave Specific Requests?

Grave Specific Requests allow sponsors to honor their veteran loved ones by ensuring a wreath is placed directly on their grave.

This is a deeply meaningful way to honor their sacrifice, and it's at the heart of what we do—giving families the chance to remember their veterans with a wreath.

It's Easy to Order Grave Specific Wreaths - Online

When ordering online, simply select the "Grave Specific" option under Customizations during the ordering process. If the location does not accept Grave Specific Requests, this option will not be available. Sponsors can choose to place the wreath themselves or request a volunteer to place it on their behalf.

You Can Also Order Grave Specific Wreaths - Mailed

Complete the Grave Specific Wreath Sponsorship Form or Tally Sheet with the required information and mail it with your check. Be sure the location accepts Grave Specifics before mailing in a request!

Required Information

You'll need to provide the veteran's first and last name. To help with placement, it's also helpful (but not required) to include the veteran's branch of service, military rank, date of birth, date of passing, and gravesite details (section, row, and/or marker number).

"We are not here to decorate graves. We are here to remember not their deaths, but their lives." — Karen Worcester, Executive Director of Wreaths Across America

What Is The Dashboard?

The [WAA Dashboard](#) is your central hub for managing your group(s) and/or location(s). It's packed with tools to help you connect with your community, track your progress, and communicate effectively with your supporters.

Here's what you can do with your WAA Dashboard:

 **Use Registration To-Do's** – Keep your group or location details and contact information up to date using the Registration To-Do's. This ensures your information stays accurate and helps keep things running smoothly. *If a section is grayed out, it means it has already been confirmed for the year, but don't worry—you can still make updates as needed!*

 **Customize Your WAA Page** – Personalize your page with photos, create a page alert to share important updates, and even add a news article to keep your supporters engaged.

 **Manage Your Communication** – Use the dashboard to message your supporters. Invite them to sponsor wreaths, attend fundraising events, and let them know what to expect on Wreath Day.

 **Track Wreath Sponsorships** – View your Wreath Count Report to see how many wreaths have been sponsored for your group(s) and/or location(s). This helps you stay on top of your goals and ensures every veteran is honored.

 **Manage Grave Specific Requests** – Keep track of specific requests for wreath placements, making sure every detail is covered for your volunteers and sponsors.

 **Organize Your Volunteers** – See who has volunteered to help on Wreath Day. It's a great way to stay organized and ensure you have enough support for a smooth and impactful ceremony.

 **Thank Your Sponsors** – Use the dashboard to thank sponsors for their generosity and keep them informed on how their contributions are making a difference.

Wreath-O-Meter

Visual Progress Tracker

The Wreath-O-Meter on your WAA page is a dynamic tracker that turns green as wreaths are sponsored, offering a real-time view of progress toward your goal. It encourages community engagement and motivates supporters to contribute.

The Sponsorship Goal is a motivational tool and does not determine how many wreaths are shipped for your location.

 - If you plan to **hand-deliver extra wreaths** to a location not registered to participate, we can help make that happen! Just reach out to your **Regional Liaison Team** to arrange additional wreaths **beyond your Veteran Grave Count**. Planning Your Wreath-Laying Ceremony

Early planning sets the stage for a successful and meaningful event, ensuring that every detail contributes to a memorable experience. Be sure to use our helpful planning materials and templates on the [Volunteer Resource Page](#)!

Plan it Out

Alternative Uses

 - Donate bows to local retirement homes or schools for crafts.

Clean Up

- ❖ **Schedule:** Set a Wreath Clean Up Date with cemetery staff. Share details on Wreath Day and on Social Media to recruit volunteers.
- ❖ **Logistics:** Place dumpsters, trailers, or trucks throughout the cemetery. Use equipment like a backhoe to compress wreaths, allowing for more efficient disposal. Encourage volunteers to wear gloves and use broom sticks or ropes to transport wreaths easily.

Extra Support with Grants

All About Grants

Grants are a great way to secure wreath sponsorships or help cover costs for a wreath-laying ceremony. Many businesses and organizations offer grants, and starting early in the year gives you the best chance before budgets are finalized.

However, opportunities can be available year-round, so keep looking!

How You Can Get Started

- ❖ Explore grant opportunities and reach out to companies to learn about their application process.
- ❖ If you complete an application, do not sign it.
- ❖ Submit the application to the WAA Grants Team by filling out the Grant Notification Form on the [Volunteer Resource Page](#).
- ❖ Need help? Check out our [All About Grants](#) volunteer tutorial or Email grants@wreathsacrossamerica.org for guidance!

Approval & Processing

Grant timelines vary, with some taking up to six months for approval. Once approved, funds are typically dispersed within 4–6 weeks. The WAA Grants

Team will review, finalize, and submit applications, making any necessary corrections before signing and submitting them on behalf of WAA. Be sure to check deadlines and award dates to stay on track!
