10 Special Qualities That Embody Our Veterans-Concrete Poetry

Concrete poetry—sometimes also called ‘shape poetry’—is poetry whose visual appearance matches the topic of the poem. The words form shapes which illustrate the poem’s subject as a picture, as well as through their literal meaning. **Outline Poems**—A common way to make the visual structure reflect the subject of the poem is to fill an outline shape that relates to the topic of the poem. The words in this type of poetry, unlike traditional poetry, do not have to rhyme. Here is an example of a concrete poem, using the second Veterans’ Quality:

Their **LOVE** for each other

Veterans possess
many special qualities, one of the most special
qualities they have is their love for those with whom
they serve or have served in the U.S. military. There
are numerous ways they express love for one another.
They often refer to one another as brother or sister,
words that are usually saved for family members.
Veterans were willing to sacrifice their lives
for their brothers in arms. They are friends
for life and will do anything they can
when their buddies are in need.
Their love for one another
never dies, it last a
lifetime and a
day.

NOW, It is Time to Write Your Concrete Poem

DIRECTIONS:

1. Choose one of the Veterans’ Qualities from the list on the right for your poem. Think of a shape that represents the quality you selected.
2. Draw a simple outline of its shape on paper or on the computer. If you’re using paper, draw with a pencil not a pen.
3. Write your poem normally. Try to describe how the subject makes you feel. The words will be fitted into your drawing, so don’t make it too long!!
4. Remember, the poem does not have to rhyme.

1. Their **BELIEF** in a greater good
2. Their **LOVE** for each other
3. Their **STRENGTH**, work ethic, & character
4. Their **HONESTY** & integrity
5. Their **HUMILITY**, selflessness, & modesty

“Find a Way to Serve”

- Make Thank You cards to Veterans you know in your community, or in a local VA Home or VA Hospital. Let them know you appreciate their service to our country.
- Help an elderly veteran with yard work.
- Collect items for “Survival Back-Packs” for homeless veterans with socks, caps, gloves, toothpaste, a toothbrush, and other toiletries to be distributed to homeless vets in your community. Many large cities hold Operation Stand Downs for Veterans. For more information, [Click Here](#).
- Organize a Checkers, board game or card game tournament at your local VA Home. Coordinate with the nursing home staff and plan a fun afternoon for the residents and students alike!
- Write letters to be included in soldier care packages. [Operation Gratitude](#) sends over 250,000 packages to Servicemen and Women, and First Responders annually, the link above provides guidelines for participation in their program.
- Organize a Zoom Meeting between your class at school and a local VA Home. Discuss what their childhoods were like growing up, what kind of classes they took in school. Did they live in town or in the country, what kinds of chores and activities did they participate in when they were your age. Document their responses and share with other classes in your school. If some of your interviewees have a talent like singing or playing the piano, maybe they could share those talents with the class the next time you Zoom. Once you have met the veterans, select a “pin-pal” you can correspond with by letter every few weeks.
- Be a companion to a local senior citizen who is a veteran. Make cards, surprise them with visits around their birthday or sing carols for them around the holidays.
